

Connecting People Workshop

Friday, February 15th 2013

10am—1pm

King's College
London

FREE event!

The Connecting People Intervention Study is a multi-site pilot aimed to promote well-being and social participation amongst adults with a learning disability or mental health problem.

Agenda

- Introduction to the Connecting People Intervention model from members of the research team
- Reflection of practice with other health and social care professionals
- Panel discussion with directors and workers from a diverse range of agencies
- Networking lunch
